Bob,
I hope all is well with you. Both Monica Burrell and Stacey Dwyer of our EPA, R6, NPDES Permits and TMDLs Branch are out of the office on vacation til July 19. I know this is an important time for the GP Crossett permit as EPA, R6 folks will be visiting on July 14.

If you have any correspondence to EPA regarding the permit, I expect you will be emailing Bill Honker, our Water Division director, but could you also email me, Mark Hayes (acting oversight manager for 120 days) and Brent Larsen (acting associate director til July 20). Brent and Mark are cc'ed this email.

Thanks.

Denise
